Carl's Dye-a-logue

Well, here we are in 2019! I hope that all of you had a joyous holiday season and I hope that you are ready to have a joyous and prosperous 2019!

If, as a congregation, we are going to be joyous and prosperous in 2019, then we must also be committed to God's Word...as a congregation and as individuals.

I saw the following over the Christmas break and it stuck with me...so I wanted to share it with you.

Apparently Japan is running out of ninjas. In the small city of Iga, the birthplace of the ancient ninja warriors, officials cannot find enough martial artists to perform for tourists, even though the job can pay up to \$85,000 per year. Part of the problem is that the city's young people are moving to larger cities, and there are just not enough candidates available who are willing to go through the intensive training, even for the great paycheck.

Isn't that similar to the situation we have in the Lord's church? The ancient practice of Christianity is often not as appealing to our younger ones, who instead are being drawn to the "bright lights and big cities" of denominational practices. The intensive training required to be a warrior for Christ is seen as too difficult, even though the reward—heaven—is extremely high!

Let us pray and encourage more young people to take up a true and deep study of God's word. "The harvest truly *is* great, but the laborers are few; therefore pray the Lord of the harvest to send out laborers into His harvest" (Luke 10:2).

Family Life Group

Family Life Group #3(Rice) will be meeting for potluck after morning services Sunday, January 13th.

Letter we received from one of our sisters in Christ who visited Eastgate.

Dear Brothers and sisters:

Please know that I enjoy making bookmarks for our bibles! I will send more soon.

Right now I have a prayer request or two. #1 Please pray for my son Joey. Just pray that he always does God's will and that God will be patient with Joey. Joey is a member of the church.

#2 I have a sister, Sannie Patch, who is 89. She isn't in the best of health and has fallen away from the faith. Please pray that she comes back.

Again, I loved visiting there about 4 months ago and found brothers and sisters like me.

Love, Darlene Lair

Note from Skye

I will be in the office at different times while Andy and I try to figure out how to both work but make sure someone is with his dad at all times. Please be patient with me and please call me if you need me. Hopefully we will have more answers in the next week and a better grasp on handling things. We love you all !!

Dennis Ingram has been diagnosed with advanced stage lung cancer. Please keep Dennis and family in your prayers.

Wanda Rogers surgery was postponed until sometime next week.

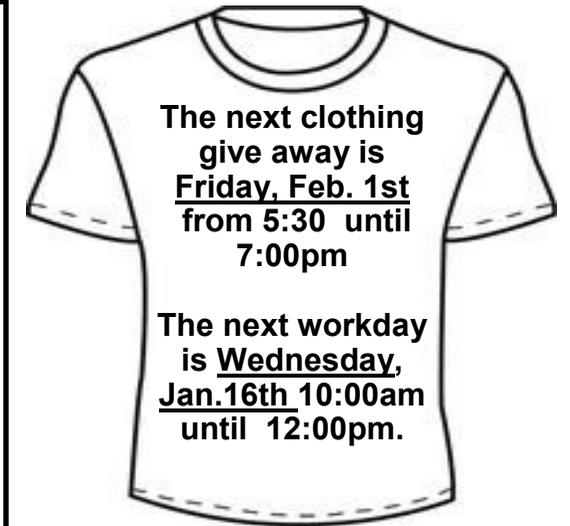

Linda Carey was hospitalized over night this week for pneumonia but is home doing better.

Please continue to keep them in your prayers.

It is great to go to the mailbox and get a card from a friend but there is also another option.....Email.

Sometimes our lives get really busy but with just a few clicks you could send someone an ecard or just a little note saying "Thinking about you". There is an email list on the table in the foyer that you can put your email on and at a later date we will make copies for those that want them. Just another way for us to talk to one another and build each other up.

The next clothing give away is Friday, Feb. 1st from 5:30 until 7:00pm

The next workday is Wednesday, Jan.16th 10:00am until 12:00pm.

If you need a ride to church, call the church office and we will make arrangements for you.
