Green Valley Bible Camp - Well, here I am again, at camp. This is only the second time in 23 years of full time ministry that I have gone to camp as a counselor...both have been at Green Valley.

Despite the lack of "creature comforts" (like air conditioning, a generous supply of hot water, and the like) everyone seems to be having a good time (easy for me to say, since technically I have not even left yet, its only Thursday, July 2).

This year, for our session, the theme is "Burn the Boats." The idea comes from the story of Hernando Cortés and his conquering of the Aztec Empire and claiming Mexico for Spain in February, 1519. Just before his men began to march toward war, Cortés had them burn their boats...the same boats that had seen them safely from Spain to Cuba to the shores of Mexico.

By burning the boats, Cortés and his men were now 100% committed to victory: they had no choice, there was no way of retreating. To put it in the words of Colonel William Travis some 317 years later (February, 1836 at the Alamo), "Victory or Death!"

The reason so many great leaders of the past (before Cortés) had failed to conquer the Aztecs was they always left an "escape hatch" of sorts. Cortés burned his escape hatch!

In Hebrews 12:1, the writer tells us, "Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles, and let us run with perseverance the race marked out for us."

That's the point of this week at camp: burn your boats! Throw off those things in your past that are keeping you from being 100% committed to Christ; throw off the current temptations that you are struggling with that seeks to entangle you; and run with perseverance the race God has prepared for us.

Most of us like to have a safety net. Most of us like to leave ourselves a way out. Most of us are unwilling to burn our boats.

But if we don't, we will never reap the untold riches and rewards that only those who are 100% committed to Christ will reap.

### **GV Bible Camp Cleanup!**

At the end of the camp week, it is our responsibility to clean the camp to get it ready for the next group. If you can help, please be at the camp Saturday morning by 9:00 am, July 11. Camp could not happen with out these special volunteers. Thanks!!

### **Elders and Deacons Meeting**

Our elders and deacons will be meeting on Sunday, July 12, following the evening service.

Green Valley Bible Camp is going strong at this printing. We had 28 regular campers and 7 day time campers. That's the largest amount we've had in a long time. We also have two counselors, Rebecca Evens and Carl Dye. We're sure they all are having a good time as well as learning about God.

Anyone who would like to help with our VBS in ANY way needs to let Carl know ASAP. We need people to walk with the kids, we need people to work the registration table, we need people to help serve supper to the kids, and other jobs as well. If you ever wanted to run away and join the circus, NOW is your chance!

Make your plans now, call your neighbors and invite your friends to come and witness "The Greatest Show in Heaven or on Earth"

## Diver's Diseases

The old mountain preacher's text was: "They brought Jesus to those that were taken with diver's disease." The old preacher said, "Now doctors can scrutinize you, analyze you and sometimes cure your ills, but when you have diver's deceases, then only the Lord can cure you. And, brethren, there is a regular epidemic of diver's diseases among us. Some dive for the door after Bible school is over. Some dive for the TV set during the evening services. Some dive into a bag of excuses about work that needs to be done for the Lord. Others dive for the car and take a trip over the weekend. Then a few dive into a fur of faultfinding every time the church takes on a new program. Yes, brethren, it takes the Lord to cure you of diver's diseases. When you have diver's diseases, brethren, you are in a bad way."

Family Life Group #3 (Rice) will have potluck and meeting following the morning service July 19.
