Coat Drive

Again this year, if you have any coats you would like to clean out of your closet, please drop them off in one of three places:

here at the building or Snappy cleaners on Holly St or My Family Eye Care (Dr. Vaughan) on State Line Road. Every one needs a coat in the kind of weather we will have in the coming weeks. If you need someone to pick up coat's, please call the church office and we will make the necessary arrangements.

Carl's Dye-a-logue

Did any of you attend the community "band" night at Panther Stadium last night (Tuesday, October 25)? It was incredible!

Something I found most interesting was when Mr. Hodge (the head band director) took the audience - which included family members and friends of all of Siloam Springs School bands, 6th grade through high school, through part of one of the high school band's rehearsals.

He told the band to get in set 18 and they would run through set 26 (or something like that). They did it and it was great! After a couple of similar demonstrations they ran their whole show...and it was awesome (this was only the second time I've seen it).

Mr. Hodge also pointed out that each individual band member was responsible for knowing where they are supposed to be on the field for each set and the path to take to arrive at the exact spot on the field at the exact right time, all while playing an instrument and keeping perfect time as they march...which is a lot different than just walking.

If you have not seen the band perform this year, I highly recommend you make plans to attend the final home football game of the season on November 4...you will not be disappointed! (FYI it is also Senior night for fall sports and band and a few of our youth group will be recognized...so that's another reason to attend.)

If just one member of the band is out of step or forgets where they are supposed to be or is off by just a fraction of a step...disaster could result.

So what does that have to do with you? In Ephesians 4:7, Paul tells us, "But grace was given to each one of us according to the measure of Christ's gift."

In other words, God has given all of us a "set" that we are supposed to be in and it is our responsibility to see to it that we are where we are supposed to be at exactly the right time. We are accountable. If we are out of step, disaster could result.

In the band, if someone is out of step, they band will lose points (if in a contest) or the "one" (or someone else who was in step, but was knocked out of step by them) could take a tuba upside the skull! Pretty bad stuff!

Spiritually speaking, if you are not doing what God calls you to do when He calls you to do it, the result can be far more costly: a soul could be lost forever!

LTC

Any of our 3rd -12th grade students who would like to be involved with Leadership Training for Christ in 2017 need to let Carl know you are wanting to participate. The dates are April 14 & 15, 2017 and the theme is "Make Him Known" and is taken from the book of Acts.

This year we have the following rules set in place:

1. You must be in Bible Bowl or Bible Quiz if you plan to attend the convention in Rogers (you might start studying the book of Acts now).
2. If you sign up for a team event you must attend the practices. If you cannot attend you must notify the adult who is in charge of the event.
3. If you sign up for a pre-convention event, you are responsible for knowing when the deadline for submission is and submitting your entry before that deadline (the church coordinator (Carl) will help with submission of your entry if needed).

When you express your interest, Carl will give you a sheet with all the events listed. Please indicate which events you're interested in participating in and return it to Carl by Sunday, October 30.
